SIZE OF ROOTS

Our prices are quoted on strong 3 to 5 eye divisions with a well-balanced root system. Divisions are made from healthy, robust two and three-year-old plants.

PRICES

All prices are quoted at Des Moines, Iowa carrying charges to be paid by the purchaser. Express is the very best way on orders of any size to be shipped. Parcel post next. If roots are to go by parcel post add 5 cents for each root purchased.

Remittance must accompany all orders. We exercise the greatest care in selecting the roots for shipment and know they are true to name.

We give no further warranty, and in case of an error on our part it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price paid for the stock.
